ERRATA

VOLUME 23A

A598: Katsurada, Yoshie.

The reviewer was A. Kawaguchi, not M. Kawaguchi.

A1162: Krzyżański, Mirosław.

It must be pointed out that A. Szybiak is a co-author of this paper.

A1254: Oppenheim, A.

Replace the words "... sono uguali alle corrispondenti funzioni ..." by the words "... sono maggiori od uguali alle corrispondenti funzioni ...".

A2057: Foias, Ciprian.

The author writes that in the first footnote of the paper, the phrase "all Borel sets on the real axis" must be replaced by "all Borel sets in the complex plane".
